Explanation and Instructions to Employee

1. Each employee of the State of Hawaii is urged to execute this designation form and have it forwarded through his or her department or agency to the State Comptroller. In the event of the employee's death, this designation form authorizes immediate and direct payment of unpaid compensation (including vacation) to the beneficiary (or beneficiaries) named by the employee.
2. If an employee does not execute this designation form, his unpaid compensation would, in the event of the employee's death, be paid to the employee's estate.
- ⑥
3. If two or more beneficiaries are named on this designation form, they will share equally in any authorized payment unless the employee specifically indicates a 1st choice, 2nd choice, 3rd choice, etc., in listing the beneficiaries on the designation form.
4. This designation form must be verified by a notary public. Other witnesses' signatures are not required.
5. **Please type all information**, except for employee's signature.
6. The employee's social security number must be accurately entered on this designation form in the space provided.
7. This designation form will be secured in a confidential file with the State Comptroller; a copy is not retained by the employing department or agency.
8. The designation made on this form may be changed by the employee at any time by submitting a new designation form. It is recommended that the employee promptly submit a new form if for any reason the previously submitted designation is no longer desired, because the State Comptroller must make payment according to the most recent designation form on file.
9. To assure continuing confidentiality (paragraph 7 above) and to avoid confusion when designation forms are changed (paragraph 8 above), it is suggested that no copy be made of this designation form; only the original form should be executed and forwarded through the employee's department or agency to the State Comptroller.
